

URGENT: PARKING SECURITY

DURING THE NIGHT OF AUGUST 1ST, TWO VEHICLES WERE BROKEN INTO IN THE PARKADE. ONE HAD A WINDOW SMASHED WITH A FIRE EXTINGUISHER AND THE INTERIOR WAS SPRAYED WITH FIRE RETARDENT

THIS IS A SERIOUS ISSUE. SECURITY FOR RESIDENTS AND THEIR PROPERTY IS OF UPMOST IMPORTANCE.

NOT ALL RESIDENTS ARE STOPPING TO ENSURE THE PARKING GATE CLOSES BEHIND THEM WHEN ENTERING OR EXITING THE RESIDENTIAL PARKADE.

THIS IS MANDATORY FOR THE SAFETY OF ALL AND IT TAKES JUST SECONDS TO DO

IF YOUR SEE SUSPICIOUS ACTIVITY DURING THE DAY REPORT IT TO THE RESIDENT MANAGERS IMMEDIATELY. AT NIGHT, REPORT IT TO BUILDING SECURITY

STEPS ARE BEING TAKEN TO HARDEN SECURITY FOR THE PARKING GATE AND ACCESS DOORS NEARBY.

CAMERAS WILL BE INSTALLED NOT ONLY TO MONITOR UNWANTED INTRUDERS, BUT ALSO TO MAKE SURE RESIDENTS STOP AND WAIT FOR THE GATE TO CLOSE BEHIND THEM.

SECURITY IS EVERYONE'S RESPONSIBILITY

THANK YOU FOR YOUR COOPERATION
