# IMPORTANT NOTICE CIELO

1205 West Hastings Street

## ANNUAL FIRE ALARM SYSTEM TESTING

---

To comply with the requirements of the Fire Code, **Bartec Fire Safety Systems Ltd.**, will be inspecting the fire alarm system and associated components. Please be advised that bells will be ringing intermittently during the testing times.

**The inspections will take place:  
Monday, August 16<sup>th</sup> – Thursday August 19<sup>th</sup>, 2010  
Starting at 9:00am**

**Suite Testing: Monday, August 16<sup>th</sup> beginning at 9:30am  
From top floor to bottom floor**

The fire protection equipment installed at The Cielo includes devices such as heat and smoke detectors located in your suites. Since the equipment located in your suite forms an integral part of the fire protection system it will be necessary for the service technicians, to access your suite.

**If you are unable to be home, please make arrangements with Concierge staff (778-328-9059). This is to permit access to your suite. “In-suite” devices not accessed/tested during this time will remain the liability of the individual resident (at an additional cost) and will reflect on the buildings/individuals insurance if there was ever to be a fire.**
